

25-28 November 2019

KICK OFF MEETING HARMONIZATION AND TRAINING

COEI-05 WP2.3 - Replication Studies

SUNDAY 24TH NOVEMBER, 2019

Arrival to CTA - Transfer and Accommodation to Hotel

MONDAY 25TH NOVEMBER 2019

| Meeting Room BIOMETEC - Biologic Tower - South Tower - 2nd Floor |

10:00 - 13:00

Registration and Welcome

- Francesco Priolo (Rector of the University of Catania)
- Riccardo Polosa (Scientific Director and Founder of CoEHAR)
- Giovanni Li Volti (Project Leader of "Replication Studies" Project)
- Salvatore Salomone (Director of BIOMETEC Department - University of Catania)
- Prof. Salvatore Baglio (Delegate of the Rector to the third mission activities)
- Prof. Martino Ruggeri (Delegate of the Rector to the internationalization)
- Sonja Rust (Project Coordinator of "Replication Studies" Project)
- Massimo Caruso (Co-Project Leader of "Replication Studies" Project)
- Margherita Ferrante (Coordinator of "Exposure Harmonization Program")

13:00 - 14:00

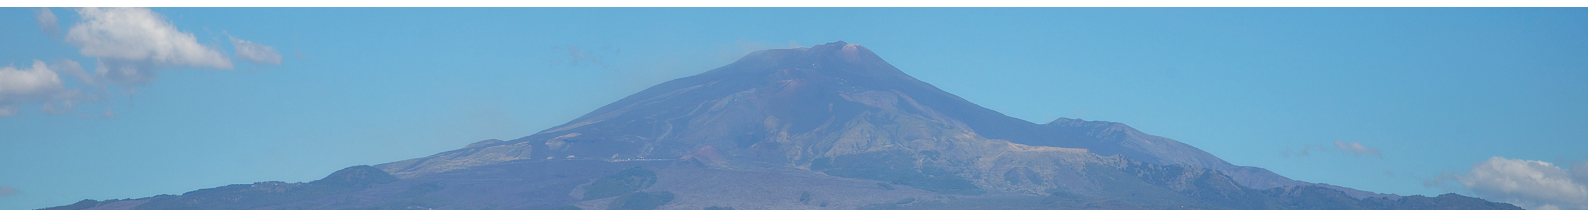

Lunch

14:00 - 16:00

- *Lab Tour - General Demonstration and Set up of Smoking/Vaping Machines*

20:00

Dinner

25-28 November 2019

KICK OFF MEETING HARMONIZATION AND TRAINING

COEI-05 WP2.3 - Replication Studies

TUESDAY 26TH NOVEMBER 2019

| Biologic Tower - Ground Floor |

9:00 - 10:30

Parallel Sessions PI / Operators

A. PI Session: SOPs Harmonization

B. Operator Session: Training on Cell Culture, Exposure, Q/A

11:00 - 12:30

Parallel Sessions PI / Operators

A. PI Session: SOPs Harmonization

B. Operator Session: Training on Smoking Machine for Operators: Calibration, Settings, Exposure, Q/A

13:00 - 14:00

Lunch

14:00 - 15:30

Parallel Sessions PI / Operators

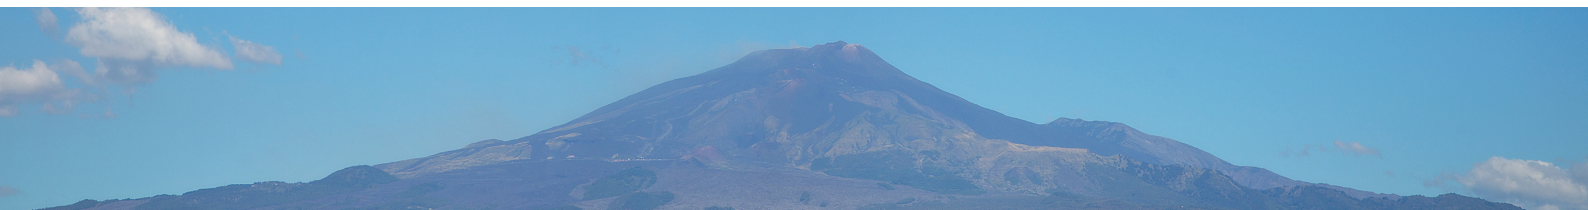

A. PI Session: SOPs Harmonization

B. Operator Session: Training on Vaping Machine LM4E for Operators: Calibration, Settings, Exposure,

16:00 - 17:30

Hands-on Training on Smoking/Vaping Machines

Free evening

25-28 November 2019

KICK OFF MEETING HARMONIZATION AND TRAINING

COEI-05 WP2.3 - Replication Studies

WEDNESDAY 27TH NOVEMBER 2019

| Biologic Tower - Ground Floor |

9:00 - 10:30

Parallel Sessions PI / Operators

- A. PI Session: SOPs Nicotine dosimetry Harmonization
- B. Operator Session: Training Cell Exposure

11:00 - 12:30

Parallel Sessions PI / Operators

- A. PI Session: General Protocol Harmonization and discussion on Experimental Plan
- B. Operator Session: independent supervised training on Smoke/Vape Exposure and NRU

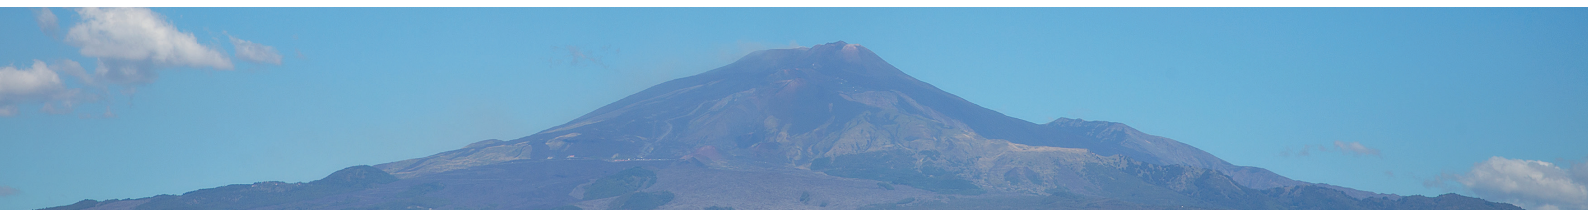

13:00 - 15:00

Lunch in the City Center

15:00 - 17:00

Catania Tour

Free evening

25-28 November 2019

KICK OFF MEETING HARMONIZATION AND TRAINING

COEI-05 WP2.3 - Replication Studies

THURSDAY 28TH NOVEMBER 2019

| Meeting Room BIOMETEC - Biologic Tower - South Tower - 2nd Floor |

9:00 - 10:30	A. PI Session: <i>Management and Statistical evaluation of data, Reports</i> B. Operator Session: <i>NRU assay</i>
11:00 - 12:00	<i>Modules, Timelines, Forms, communications between Partners (PIs and Operators)</i>
12:00 - 12:30	IT Training (V)
13:00 - 14:00	Lunch
14:00 - 16:00	<i>Parallel Sessions PI / Operators</i> A. PI Session: Discussion on Future Studies to be replicated B. Operator Session: independent supervised training on Smoke/Vape Exposure and NRU
16:00 - 17:00	<i>Final discussion and conclusion of Kick-off Meeting (PIs and Operators)</i>

FRIDAY 29TH NOVEMBER, 2019

Scheduled Departures - Transfer to airport
